

# Christmas Tree Festival

This will be the sixth year we have held a Christmas Tree Festival at Northwood Methodist Church, Oaklands Gate, Northwood.

The sight of the church filled with sparkling twinkling trees in all manner of imaginative presentations has delighted the many children and adults who have come to see this unusual spectacle.

We invite you as a local business owner, headteacher, leader of an organisation or individual to dress a Christmas tree in any way that fires your imagination and enter it in our tree Festival 2016

By the side of your tree you can display your own logo and advertise your organisation to the community.

A donation to this festival will be gratefully received. All proceeds will go to **'Kids for Kids' charity**, providing sheep and goats for poor families in Dafoor.

All trees will be entered in a competition to choose the most imaginative entry.

## Grand Opening & switching on of the lights will be by Patricia Parker MBE

Founder and President of 'Kids for kids' & Rotary International 'Woman of the Year'

Carols and Refreshments during the Evening.

**Book a place now!**

**Venue:** Northwood Methodist Church, Oaklands Gate, Northwood HA6 3AA
