LET'S BEAT LONLINESS TOGETHER

Northwood Live at Home have applied for funding to support the Intergenerational work they do to bring young and older people together. (Meet and mingle-Tall and Small). This is with Aviva Community Fund and success depends upon the community voting for the project. If you can register and cast your votes in support it will be much appreciated. Please encourage family and friends to support this local service. Here is the link <https://community-fund.aviva.co.uk/voting/project/view/4-2482>

This charitable scheme needs to continue to fund raise to cover costs and is continuing to reach out to older people who may be isolated and in need of support in our local community. Please call 01923 842494 if you want to self-refer or want a copy of our programme to hand to someone who may benefit. Our focus is on building friendships thereby reducing loneliness. Thanks to all those at Oaklands Gate Methodist Church who support us either in prayer, by volunteering or financially. The Christmas programme is full and varied, so don't be shy if you would like to join us. Copies available from the Northwood Live at Home office. Gifts to support the work should be made payable to MHA Northwood Live at Home Scheme. A priority for this year is to reach out to the Asian community and we have recently appointed Shashi Desikan who is fluent in several Asian languages to reach more people than would otherwise be the case. We have a constant need for drivers and befrienders to support the work as we grow and respond to local needs, please call the office based at St John's URC Hallowell Road if you want to test out your gifting with us.
