*We warmly invite you all to join us after the service for refreshments in the Oasis lounge*

### **"For I was hungry and you fed me...." (Matthew 25:35)**

Please don't forget our collection box at the back of the church for the **Hillingdon Food Bank**. Food donated here will be taken to local distribution centres to help people in crisis. It's a great opportunity to do something practical to demonstrate our Christian love for others. Food items

need to be long life and well in date, such as tins and dried food. A typical food box contains breakfast cereal, soup, pasta, rice, pasta sauce, baked beans, tinned meat/fish, tinned vegetables, instant mash, UHT milk, tea, coffee, sugar, tinned dessert and biscuits. Bags for Life are also appreciated as well as simple essential toiletry supplies. Perhaps you could buy a small extra item each time you do the supermarket shop? If everyone gave something once or twice a month, we could make a real difference. **Please give what you can, when you can. Donation box is placed at the back of the Church.** For more information, please go to

Thank you

**\*\*\* NEW ITEMS LIST IS AVAILABLE TO VIEW ON NOTICE BOARD IN OASIS \*\*\***

*There are many known to us who need our prayers for strength and encouragement, even though they may not be named in this newsletter. Let us continue to pray daily for each and every one.*

### PLASTIC BOTTLE LIDS

Some members have been kindly letting me have plastic milk bottle tops to raise funds for:

1. London Air Ambulance - tops bearing the numbers 2 or 4 in a triangle
2. Matthew Project in Norfolk - everything else. This was for a drugs rehabilitation and education programme.

It has recently been discovered that the Matthew Project is no longer accepting plastic for recycling, due to the Chinese ban on importing UK waste. This took effect at the end of January. Hillingdon accepts plastic for recycling, so all is not lost, as the local authority will benefit. I am still able to recycle milk bottle tops with numbers 2 or 4, for the London Air Ambulance. Recycling takes place in the U.K. so is not affected by the Chinese ban. Thank you for your support to date and I look forward to this continuing in the future.

Thank you, John Evans
