This charity, with its ethos deeply rooted in Methodist principles, has, for the past 145 years, been working to help vulnerable children reach their potential.
In addition, in response to the Emergency Appeal for Indonesia by **All We Can**, the Methodist relief and development fund, donations raised at the Community Carols service and special retiring collections over the same period, amounting to £297.85 have now been forwarded to the charity.

VOLUNTEERING OPPORTUNITY
Team Up, a charity that seeks to raise the attainment of pupils from low-income backgrounds using small-group tuition in English and Maths. All our tuition is delivered by a team of inspirational volunteer role models. We have a great impact on the pupils we work with; last year, pupils on our programme made more than twice the expected level of progress. We're looking for more volunteers for the Spring term, starting in January and running through to April, for a programme at Oak Wood School Uxbridge on Friday mornings.
Apply through the website, teamup.org.uk. Applicants will then be invited to interview if suitable. We accept volunteers aged 16+, with no upper age limit & more details including rewarding benefits via the website
