There are many known to us who need our prayers for strength and encouragement, even though they may not be named in this newsletter. Let us continue to pray daily for each and every one.

Action For Children has been a marvellous Methodist organization, caring for children since its founder; Doctor Stephenson began it with six urchins in his own home in the latter part of the nineteenth century.

We are urgently in need of someone who would co-ordinate the Collection Boxes people have in their homes and collect and record the money once each year.

If you feel you could do this, please let Shirley know. With thanks.
