A Message From Andrew:

Further to my request in last week's worship, we are looking to refresh some of the ways we do things; we are looking for people to help in the following ways:

Leadership Team

To work alongside Andrew in reviewing and planning the strategic direction of the Church.

Sunday setup Team

To help setup the Church ready for Sunday worship & occasional services such as Weddings, Funerals etc.

Welcome Team (door stewards)

To greet people as they arrive at Church and warmly welcome them

Newsletter Editor

To compile all NMC notices & send out to all members on email list, plus publish onto Church Website

Property Committee Member

To oversee the property side of Church matters & attend meetings to plan, discuss & navigate

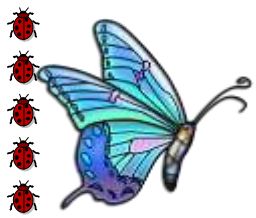

Support and guidance will be given to anyone taking on any of these roles for the first time.

A big thanks to all the people who do these roles currently and I hope everyone who is currently serving would be happy to continue in some capacity.

There are many known to us who need our prayers for strength and encouragement, even though they may not be named in this newsletter. Let us continue to pray daily for each and every one.
